DISCLAIMER

Maxim Integrated Products has taken and continues to take reasonable steps to provide representative and accurate information but may not have conducted destructive testing or chemical analysis on incoming materials and chemicals. Certain Maxim Integrated Products suppliers consider material content information to be proprietary, and thus CAS numbers for such materials may not be available for release.

Use of this information is at your sole risk unless otherwise explicitly stated. The information and content is provided "as is" "as available" and "with all faults." Maxim disclaims all express or implied conditions, representations, and warranties of any kind, including any implied warranty or condition of merchantability, satisfactory quality, fitness for a particular purpose, or non-infringement. Maxim makes no representations, warranties, conditions or guarantees as to the usefulness, quality, suitability, truth, accuracy or completeness of this information.

Maxim is not liable for any direct, indirect, punitive, special, incidental, consequential, or exemplary damages (including, without limitation, loss of business, revenue, profits, goodwill, use, data, or other economic advantage) arising out of or in connection with this information, even if Maxim has previously been advised of the possibility of such damages, however they arise, whether in breach of contract or in tort (including negligence).

In jurisdictions that do not allow the exclusion or limitation of direct, incidental or consequential damages, portions of the above limitations or exclusion may not apply.
